Handwritten scribbles.

This... might be the end for me

Try to look into the distance

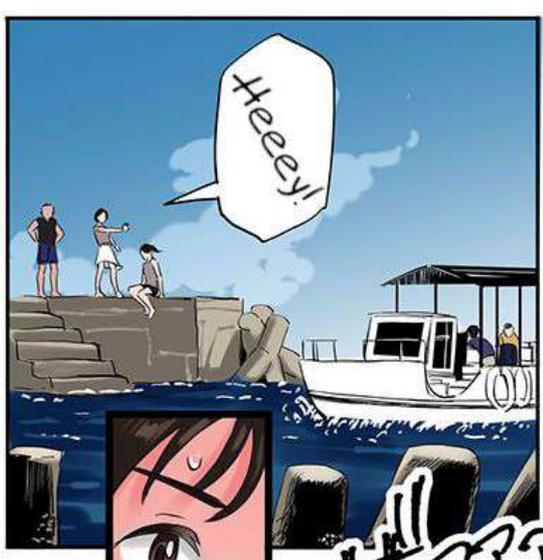

Handwritten scribbles.

You still cant sleep?

Apparently if you don't get enough sleep is easier to get seasick.

Handwritten scribbles.

Heey!

No... way...

Hang in there Gero, we're almost there.

Handwritten scribbles.

What did she mean by that?

Is the lack of sleep messing my memory?

Did you sleep well?

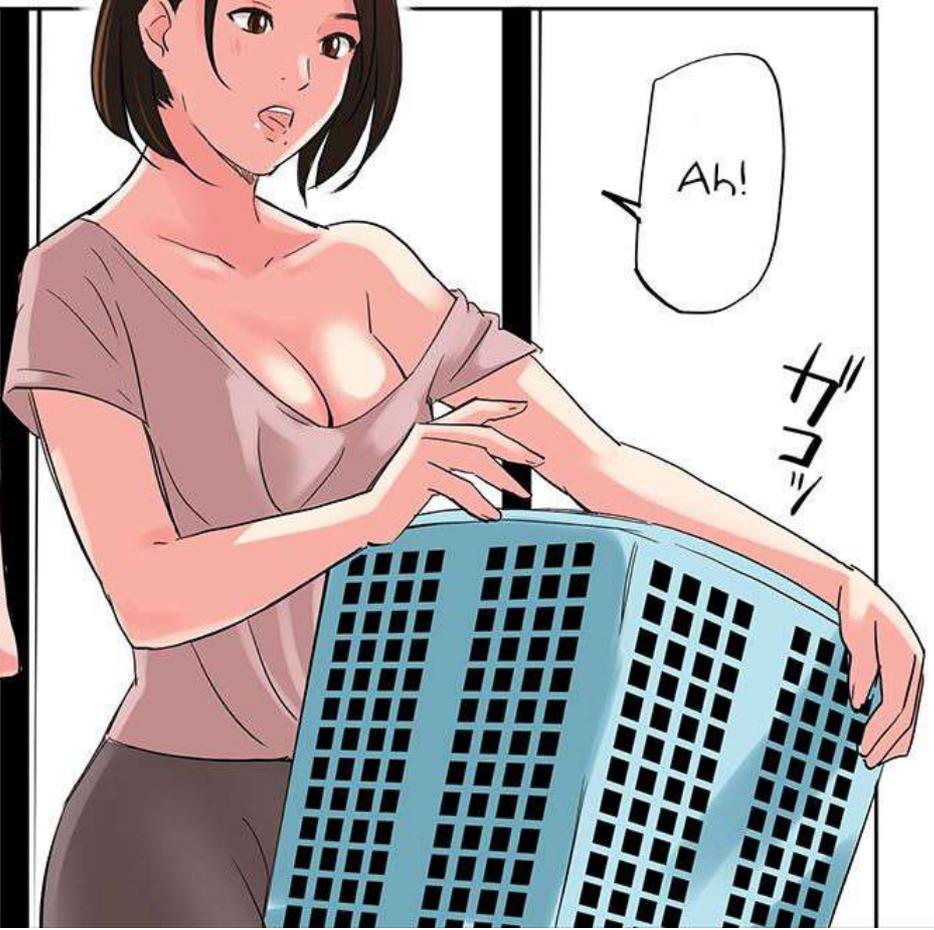

Uh? Yeah...

Ah, Gero-kun, good morning.

Ah, let me help you.

Ah!

Gero-kun you're really nice.

Thank you.

...Then

There is one favor I want to ask of you...

If there's anything I can do ...please just tell me

If you can promise me that...

Can you keep what you saw yesterday a secret?

That Kentaro, even as young as he is, if he cums once he is done.

What's up with that?

It's so wet and hot!

What the... It's clamping on me so hard...

Were you thinking I'd be looser?

Ahhh

It's just that I'm...

I di- didn't mean it like that.

Even me!
Even I
can do
this!!

More!
Thrust

to keep
doing this,
here or
elsewhere!

Is filling
